

**CLIMATE
COLLECTION**

“ There is no such thing
as bad weather when you
wear the right clothes. ”

The climate collection features versatile outerwear designed for multi-season use in varying climates and weather conditions. Both useful and fashionable, these transitional layers are crafted with comfortable fabrics, quality construction, and timeless styling.

Give your brand logogeivity™ when you customize these high-value jackets and vests for uniforms, client gifts, or employee appreciation.

We offer a variety of in-house decoration techniques including embroidery, laser tech patches, screen printing and more.

Recommended decoration for each style can be found throughout the collection. See pgs. 32-33 for the complete list of options.

BUILDING A BETTER FUTURE TOGETHER

BE 1% BETTER

Put simply, 1% for the Planet brings people together to take action in the protection and restoration of the Earth and increase smart environmental giving. As part of our commitment to operate in a responsible and sustainable manner, Vantage has pledged to donate a portion of sales from the Earthwise Collection and new Denali Sherpa Jacket to nonprofit organizations focused on environmental causes.

Did you know?

- 66% of people (and 73% of Millennials) say they're willing to pay more for products and services from companies committed to positive social and environmental impact.
- 91% of global citizens are interested in hearing about corporate social responsibility initiatives, but messages must be honest and clear.
- Consumers trust companies' environmental claims more when backed up by certification marks and ingredients were responsibly sourced.

2013 Cone Communications/Echo Global CSR Study*

3180/3181 pg 18

For more info, see the Earthwise Collection online

Good for the planet is good for business, too.

Today, consumers are finding their 1%. They are demanding more from brands, and choosing a product with a giveback component is a powerful statement. It showcases a brand's values and commitment to a better, more sustainable future. In fact, according to a 2015 Cone Communications Millennial CSR Study, "more than 9-in-10 millennials would switch brands to one associated with a cause."

A commitment to sustainability not only speaks volumes to consumers but to employees, too. Surprisingly, only 40% of the workforce knows about their company's goals, strategies and tactics (Source: Bain.com). More and more, workers are making employment decisions based on how aligned their values are with their prospective place of employment. Keeping the mission in front of them will keep them engaged in the future of the company.

All Vantage items that include a donation to environmental non-profits ship to the recipient with a hangtag informing them of this feel-good factor. In addition to the Denali Sherpa Jacket, we donate 1% of sales from our Earthwise polos, shirts and hoodies. These items, which can be found online, are made with Repreve® premium recycled polyester and help keep plastic bottles from polluting our oceans.

For more information on the global movement and Vantage's sustainability efforts, visit vantageapparel.com/earthwise

VERSATILE OUTERWEAR FOR A MODERN WORLD

Today's active lifestyle demands transitional styles that can be worn all day and for multiple uses. From casual to sophisticated, streetwear to studio, these “do-it-all” items won't miss a beat.

Accessories not sold.

LAYER IT UP

It's cold, it's warm, it's hot, it's rainy! When it comes to unpredictable weather, it's always beneficial to have an extra layer on hand. Our versatile outerwear works as a fashionable yet functional layer that unpacks for instant protection from the elements. From sunrise to sunset, our functional outerwear will help your team power through whatever the day may bring.

Accessories not sold.

Unfold the benefits of packable outerwear

Convenience is key! Our packable outerwear offers on-the-go convenience for dedicated staff members that are ready to work come rain or shine. The patented Zocket™ allows you to compress and fold the jacket into a compact self-pouch, taking up minimal space. Easily stash the extra layer in a glove compartment or backpack to ensure that your team never leaves the house unprepared.

GIVE YOUR BRAND LOGOGEVITY™

Timeless style, quality that lasts, and award-winning decoration combine to create a sustaining brand benefit we call, Logogevity™. You can achieve Logogevity™ with one of the creative embellishment techniques pictured here, or any of our in-house deco methods.

embroidery [EMB] laser appliqué [LA] laser etching [LE] laser tech patches [TP]
screen printing [SP] die-mold transfers [DMT] heat transfers [HT]

EMBROIDERY

Our most popular decoration type, embroidery is an upscale, classic, and professional choice. Orders start at just one piece!

DIE MOLD TRANSFERS

An upscale option for adding texture and dimension to your logo. Die-mold transfers have a 300 piece minimum to order and can be applied in small batches.

Laser Appliqué Stock Material & Colors

Twill Appliqué Colors

Felt Appliqué Colors

Cotton Rib Appliqué Colors

Tech Appliqué Colors

LASER APPLIQUÉ PATCHES

We combine embroidery with applique material to create this on-trend decoration option. Twill and felt work best on outerwear garments.

TECH PATCHES

Great on outerwear, tech patches have a tonal logo etched onto a simple-shaped foam patch.
